

SPONSORSHIP OPPORTUNITIES

FRIDAY, NOVEMBER 21, 2025
ARIZONA BILTMORE

Get ready to launch into an extraordinary voyage among the stars at this year's dreamBIG 2025 Galactic Nights. We invite you to join us for a stellar evening of adventure, discovery, and transformative impact—all in support of ICAN. Together, we'll work to achieve what may seem light-years away.

In Arizona, nearly half a million youth attend schools without access to out-of-school programs. This gap limits economic opportunities for families and denies youth the experiences that spark curiosity, creativity, and boundless potential. ICAN's mission is to bridge this gap by providing access to out-of-school time opportunities that empower all youth and their families to pursue what matters most to them. We inspire youth to explore new opportunities, reach for the stars, and boldly go where their dreams lead. Just as space exploration breaks barriers, ICAN is committed to expanding our reach and creating brighter futures for youth and families.

Step into a galaxy of possibilities, where you'll dance among the stars, explore the mysteries of the cosmos, and help chart a course toward ICAN's vital mission. This unforgettable night promises an adventure into a future filled with opportunity and hope.

Below, you'll discover impactful opportunities to support ICAN through sponsorship. Every dollar raised through dreamBIG sponsorships directly supports ICAN's mission to provide out-of-school programming at **no cost to families**. Together, we can empower youth, build brighter futures, and create lasting change in our community.

Mona Sands
Co-Chair

Jaime Norris
Co-Chair

Founded by Chandler native Henry Salinas, ICAN has been operating in the East Valley since 1991. Henry's initial investment of time and compassion for underserved teens has blossomed into a full-service youth center. ICAN's out-of-school-time program is more than just childcare; we aim to close the gap in access to out-of-school programming by ensuring every child and their family receives high-quality care during out-of-school hours. Our programs set school-aged children up for success by supporting their growth in three key areas: 1) life skills development; 2) educational enrichment; and 3) career exposure. And because we've removed the cost of childcare, their families experience increased economic stability and security.
