## INDEPENDENT AUDITORS' REPORT

Board of Directors  
I.C.A.N., Improving Chandler Area Neighborhoods  
Chandler, Arizona

### Report on the Audit of the Financial Statements

#### *Opinion*

We have audited the accompanying financial statements of I.C.A.N., Improving Chandler Area Neighborhoods (the Organization), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of I.C.A.N., Improving Chandler Area Neighborhoods as of June 30, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Other Matter*

The financial statements of I.C.A.N., Improving Chandler Area Neighborhoods as of June 20, 2024 were audited by other auditors whose report dated October 22, 2024 expressed an unmodified opinion on those statements.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**NOTE 1 OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

I.C.A.N., Improving Chandler Area Neighborhoods (ICAN) (the Organization) Positive Programs for Youth is a no cost, nationally accredited youth program in the East Valley that provides comprehensive programming for youth and support for families and the communities of Chandler and Mesa. ICAN helps young people build the skills they need to make positive life choices, succeed in school, and become engaged members of their community.

As one of only 21 Arizona nonprofits accredited by the National Council on Accreditation (meeting more than 400 standards of excellence), ICAN is recognized for delivering effective, evidence-based programs that create lasting impact. The organization has been named “Outstanding Afterschool Program” by the Arizona Center for Afterschool Excellence (2009 and 2013) and is a four-time “Best Places to Work” winner.

What sets ICAN apart is its barrier-free model: all programs, including healthy snacks and meals, transportation, and family services, are provided at no cost to remove financial and logistical barriers for underserved families. ICAN serves more than 700 youth annually, focusing on the critical out-of-school hours to offer safe spaces and meaningful opportunities for growth.

**Our Four Pillars**

- Academic Support - Providing literacy, STEAM, and homework assistance along with other educational supports to encourage academic success
- Positive Youth Development - Building competencies like confidence, character, and connection to support youth through personal change and challenges
- Enrichment & Exploration - Facilitating enrichment and career exploration opportunities that expose youth to a broad range of career-centric activities at early ages
- Community & Family Support - Delivering families essential, no-cost services that foster stability, access, and peace of mind.

**Impact and Outcomes**

ICAN's structured programs are designed to build resilience and protective factors in young people. Independent evaluations and youth surveys conducted three times each year consistently show:

- Increased self-esteem and social-emotional skills
- Stronger attachment to school and community
- Improved academic performance and attendance
- Reduced engagement in risky behaviors

The organization's ultimate goal is to empower youth to graduate high school and set meaningful goals for their future.

NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2025 AND 2024**

**NOTE 1 OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)**

**Basis of Presentation**

The financial statements of the Organization are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) applicable to nonprofit entities, and, accordingly, reflect all receivables, payables, and other liabilities.

**Cash and Cash Equivalents**

For purposes of the statements of cash flows, the Organization considers all highly liquid debt instruments with original maturities of 90 days or less at date of acquisition to be cash equivalents.

**Grants Receivable**

Grants receivable are unconditional promises to give and are recognized as revenues in the period the promise is received, and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give that are to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates as determined by management that are applicable to the years in which the promises are made. Amortization of the discounts is included in contribution support.

Management provides for uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual promises. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and credit to receivables.

**Fair Value of Financial Instruments**

Accounting Standards establish a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are as follows:

*Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that we can access at the measurement date.*

**I.C.A.N., IMPROVING CHANDLER AREA NEIGHBORHOODS  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2025 AND 2024**

**NOTE 1 OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)**

**Fair Value of Financial Instruments (Continued)**

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

*Level 3* – Unobservable inputs for the asset or liability. In these situations, we develop inputs using the best information available in the circumstances.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

**Investments**

Investments are recorded at fair market value in the statements of financial position. Investment return (including realized and unrealized gains and losses, net of investment expenses) is included in the change in net assets without donor restrictions in the statements of activities, unless the income or loss is restricted by donor or law.

**Property and Equipment**

Acquisitions of property and equipment in excess of \$5,000 are capitalized. Property and equipment are stated at cost or, if donated, at the approximate fair value at the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 30 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the consolidated statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

Major additions and improvements are capitalized. Maintenance and repairs are expensed as incurred. When assets are retired or otherwise disposed of, the related costs and accumulated depreciation are removed from the account and gains and losses are included in operations.

**NOTE 1 OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)**

**Impairment of Long-Lived Assets**

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less costs to sell.

**Leases**

The Organization determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets – operating and lease liability – operating, and finance leases are included in right-of-use (ROU) assets – financing and lease liability – financing in the statements of financial position.

ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Foundation's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease terms. The Organization has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right-of-use assets on the statements of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Organization has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of lease liabilities.

The Organization has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

**Net Assets**

The Organization reports information regarding its financial position and activities according to two classes of net assets as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor or grantor restrictions. The governing board has designated from net assets without donor restrictions funds in the amounts of \$2,985,433 and \$1,773,882 as of June 30, 2025 and 2024, respectively, for future operating purposes, capital, and expansion.

NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2025 AND 2024**

**NOTE 1 OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)**

**Net Assets (Continued)**

*Net Assets With Donor Restrictions* – Net assets whose use is limited by donor-imposed time and/or purpose restrictions.

**Revenue Recognition**

Government grant income consists of contributions and cost reimbursement grants which are classified as conditional contributions and are therefore not subject to Accounting Standards Codification (ASC) Topic 606.

Revenue that is subject to ASC 606 includes facility use income which is recognized and earned in the period the use of the facility occurs. Payments for the annual facility use are due in two semi-annual installments during the year of the usage.

**Contributions**

Contributions received are recorded as either support with donor restrictions or as support without donor restrictions, depending on the existence and/or nature of any donor restrictions. All donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

It is the Organization's policy to classify donor-restricted contributions and contributions with donor-imposed conditions as support without donor restrictions to the extent that donor restrictions and conditions were met in the year the contribution was received.

Special event revenue consists of sponsorships and other contributions. The exchange element of the special event revenue was approximately \$150,000 and \$205,000 for the years ended June 30, 2025 and 2024, respectively. The portion that is considered to be exchange revenue is recognized as revenue when the performance obligations are met which is the occurrence of the event.

Conditional contributions consist of cost reimbursement arrangements where income is recognized as allowable expenses are incurred.

**In-Kind Contributions**

Nonfinancial assets, including donated materials and supplies, are recorded at their estimated fair value upon receipt and include program supplies, school supplies, donated raffle items, and gift cards. Donated services are recorded at the estimated fair value if they create or enhance nonfinancial assets; or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donated services. Since specialized skills are not required by community volunteers, contribution revenue for the donated hours from volunteers has not been recorded in the accompanying financial statements.

JUNE 30, 2025 AND 2024**

**NOTE 1 OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)**

**Functional Allocation of Expenses**

Expenses are charged to program services, management and general, and fundraising categories based on direct expenditures incurred. Any expenditures not directly chargeable are allocated based on personnel activity, square footage, and other appropriate indicators. Certain employee positions are allocated based on time and effort. Other expenses, including office supplies, information technology and printing, are allocated based on a full-time employee equivalent basis. Occupancy and depreciation expense are allocated based on square footage utilized by the function.

**Income Tax Status**

The Organization qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code (IRC) and, therefore, there is no provision for income taxes in the accompanying financial statements. In addition, the Organization qualifies for the charitable contribution deduction under Section 170 of the IRC and has been classified as an organization that is not a private foundation. Income determined to be unrelated business taxable income (UBTI) would be taxable.

The Organization recognizes uncertain tax positions in the financial statements when it is more likely-than-not that the positions will not be sustained upon examination of the tax authorities. As of June 30, 2025 and 2024, the Organization had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

The Organization recognizes interest and penalties associated with income tax in operating expenses. During the years ended June 30, 2025 and 2024, the Organization did not have any income tax related interest and penalty expenses.

**Management's Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Reclassifications**

Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassifications had no impact on previously reported net assets.

**Subsequent Events**

In preparing these financial statements the Organization has evaluated events and transactions for potential recognition or disclosure through October 23, 2025, the date the financial statements were available to be issued.

**I.C.A.N., IMPROVING CHANDLER AREA NEIGHBORHOODS**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025 AND 2024**

**NOTE 2 LIQUIDITY AND AVAILABILITY**

The Organization's financial assets as of June 30, available for general expenditure within one year of the statements of financial position date are comprised of the following:

	<b>2025</b>	<b>2024</b>
Cash and Cash Equivalents Without Donor Restrictions	\$ 3,614,438	\$ 3,574,223
Grants Receivable	67,082	121,595
Investments	<u>1,661,172</u>	<u>498,993</u>
Total Financial Assets	5,342,692	4,194,811
Less: Board Designated Net Assets	(2,985,433)	(1,773,882)
Less: Restricted Net Assets	<u>(775,000)</u>	<u>(126,840)</u>
Total Financial Assets Available for Expenditure Within the Next Twelve Months	<u><u>\$ 1,582,259</u></u>	<u><u>\$ 2,294,089</u></u>

Cash and cash equivalents and investments include net assets without donor restrictions that are board-designated in the amount of \$2,985,433 and \$1,773,882 as of June 30, 2025 and 2024, respectively. The Organization could request the board to undesignate these funds, if necessary. The Organization has determined that net assets with donor restrictions that are restricted for ongoing program activities are available for general expenditures within the next year.

The Organization regularly monitors liquidity to meet its operating needs, operates with a balanced budget and has a goal to maintain cash and cash equivalents on hand to meet 90 days of normal cash operating expenses. Cash without donor restrictions as of June 30, 2025 and 2024, equals approximately 403 and 398 days' worth of expenses, respectively, based on total expenses incurred during the fiscal years. For the years ended June 30, 2025 and 2024, approximately 1% and 13%, respectively, of the Organization's expenses are related to reimbursement contracts with government agencies. If for some reason funding was decreased, the Organization would decrease expenses accordingly. Additionally, the Organization has a \$300,000 line of credit that could be utilized if needed.

Certain revisions of amounts previously reported have been made to the accompanying financial statements. In footnote 2 of the financial statements, the disclosure of the financial assets available for general expenditures for the prior year has been revised to \$2,294,089. The revision had no impact on previously reported net assets.

NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2025 AND 2024**

**NOTE 3 CONCENTRATIONS OF CREDIT RISK**

Financial instruments that potentially subject the Organization to concentration of credit risk consist principally of cash and cash equivalents and investments. Deposits at each financial institution are insured in limited amounts by the Federal Deposit Insurance Corporation (FDIC). The Organization's cash and investments were placed with high credit quality financial institutions, and accordingly, the Organization does not expect to experience nonperformance. Insured accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor, per insured bank, for each account ownership category. As of June 30, 2025 and 2024, the Organization had approximately \$3,367,770 and \$3,323,728, respectively, in excess of FDIC insurance limits. To date, we have not experienced losses in any of these accounts.

As of June 30, 2025, 97% of the grants receivable balance is made up of amounts due from two funding sources. As of June 30, 2024, 96% of the grants receivable balance is made up of amounts due from two funding sources. Credit risk with respect to these balances is determined to be limited due to the Organization's history and relationships with these entities.

Contributions totaling \$1,670,000 and \$957,383 were received from two donors for the years ended June 30, 2025 and 2024, respectively, which represents 39% and 32% of raised revenue which consists of contributions and other grants and gross internal special event revenue. Should these contribution levels decrease, the organization may be adversely affected.

**NOTE 4 GRANTS RECEIVABLE**

The Organization's grants receivable as of June 30, 2025 and 2024 were \$67,082 and \$121,595, respectively. All grants receivable are due within the next 12 months.

At June 30, 2025, the total amount of conditional promises to give related to cost reimbursement grant agreements was approximately \$1,576. At June 30, 2024, the total amount of conditional promises to give related to cost reimbursement grant agreements was approximately \$185,000. This amount represents the unspent amounts available under these agreements.

**JUNE 30, 2025 AND 2024**

**NOTE 9 FACILITY USE AGREEMENT**

The Organization entered into an agreement with the Chandler Unified School District (CUSD) for the purpose of collaborating to create a school of choice. CUSD is utilizing the Organization's facility during school time as an educational space. A fundamental precept of the school is that it be a reflection of the parents, students, staff, and community members who choose to participate in the school. This school provides a solid foundation and framework upon which participants can build a strong education, socio-emotional, behavioral, and community connection. This agreement is for five years commencing July 1, 2013 with an option to renew for three successive five year terms through June 30, 2033. The agreement has currently been renewed through June 30, 2028. Either party may terminate the agreement at least 180 days before the end of the current contract year with written notice. Annual fees recognized currently under this agreement are \$102,400 and \$102,400 for both of the years ended June 30, 2025 and 2024, which may be adjusted annually based on the growth of students.

**NOTE 10 IN-KIND DONATIONS**

The Organization received the following contributions of nonfinancial assets for the years ended June 30:

Type	2025			
	Youth Program	General and Administrative	Fundraising	Total
Professional Services	\$ 8,132	\$ -	\$ -	\$ 8,132

Type	2024			
	Youth Program	General and Administrative	Fundraising	Total
Program Supplies	\$ 1,374	\$ -	\$ -	\$ 1,374

The Organization's policy is to utilize all in-kind donations that are received to carry out the mission of the Organization. All donated services and items were utilized by the Organization's programs and supporting services. There were no donor-imposed restrictions associated with the donated services and other items. In-kind donations of supplies, snacks, and services are valued at the amount it would cost to purchase these items from vendors operating in the same geographical area.

**I.C.A.N., IMPROVING CHANDLER AREA NEIGHBORHOODS  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2025 AND 2024**

**NOTE 11 TRANSACTIONS WITH RELATED ENTITIES**

During the years ended June 30, 2025 and 2024, the Organization received contributions, both cash and in-kind, from board members totaling \$193,369 and \$111,380, respectively.

**NOTE 12 COMMITMENTS AND CONTINGENCIES**

The Organization participates in a number of federal- and state-assisted grant and contract programs which may be subject to financial and compliance audits. Accordingly, the Organization's compliance with applicable grant or contract requirements may be determined at some future date. The amount, if any, of expenditures or fees for units of service which may be disallowed by the granting or contracting agencies cannot be determined at this time, although the Organization's management expects such amounts, if any, to be minimal.
