DREAMBIG 2026

Boots, Bling, AND Big Dreams

FRIDAY, NOVEMBER 20, 2026 - THE ARIZONA BILTMORE

Giddy up, partners, for this year's dreamBIG: Boots, Bling & Big Dreams!

We invite you to dust off your boots, add a little sparkle, and join us for a night where western charm meets meaningful impact in support of ICAN. This unforgettable evening will be filled with big style and big heart, as we come together to uplift youth and families across our community.

In Arizona, nearly half a million youth attend schools without access to out-of-school time programs. This gap limits opportunity and leaves many families without the support they need during critical after-school hours. ICAN is here to close that gap by providing high-quality out-of-school time programs at **no cost to families**, creating space for youth to build confidence and dream big.

Kick up your heels and raise a glass as we rally behind ICAN's mission to empower youth and strengthen families.

Below, you'll find opportunities to support ICAN through sponsorship. Every dreamBIG sponsorship directly supports ICAN's free programs for youth and families. Together, we can spark possibility for kids and create lasting impact for families across our community.

Saddle up for a night that gives back!

Founded by Chandler native Henry Salinas, ICAN has been operating in the East Valley since 1990. What began as one person's commitment of time and compassion to underserved teens has grown into a full-service out-of-school time program that empowers youth and their families to pursue what matters most to them. ICAN works to close the gap in access to out-of-school programming by ensuring every child and family receives high-quality care during out-of-school hours. Through a whole-child approach, ICAN helps youth grow academically, socially, and creatively across four interconnected pillars: Academic Support, Positive Youth Development, Enrichment and Future Exploration, and Community and Family Support. And because ICAN removes the cost of care, families experience greater economic stability and peace of mind.
